

My weekly activities

I do some activities in a week. They make my day fun.

I have English lessons on Saturdays with my mom. We go there by train. I also have Maths lessons on Sundays with my mom.

We go there by MTR. Sometimes, we visit my grandparents on Saturdays. We go there by car.

I enjoy doing the activities a lot because they are exciting.

My weekly activities

I do some activities in a week. They make my day fun.

I have piano lessons on Mondays in Tai Wai. I go there with my mother. I feel glad. I have

singing lessons on Sundays in Shatin.

I go there with my mother. I feel

excited. I have English lessons on Saturdays in

Tai Wai. I go there with my mother. I feel delighted.

I enjoy the activities very much because they are great.
