I have a wonderful school life. My favourite school event is the school picnic.

The school picnic is in October. We go to Wu Kai Sha Youth Village. On that day the weather is sunny and windy.

First , I play games and badminton with my classmates. Then we sing songs together. Everyone enjoys singing songs. We feel glad.

Then I feel hungry. I share my food and drinks with my best friend Hebe. She says, ' The food is yummy!' We are excited.

I like this school picnic very much because it is interesting and full of fun.

I have a happy school life. My favourite school event is the school picnic.

The school picnic is on 22nd October, 2021. I go to Wu Kai Sha Youth Village with my teachers and classmates. I play football and run with my friends. We compare who can run faster. I can run faster! After that we feel hungry, so we share our snacks to others. My friends say, 'the snacks are very delicious!' I feel very happy because I can play games and eat yummy food with my friends!

I like this school picnic very much because it is fun, and I can eat my favourite snacks and do my favourite sports with my friends.
